

Exhibit A

Gibson Hall Kitchen Use and Cleaning Requirements

The Gibson Hall kitchen is approved as a light cooking/warming kitchen as approved by the King County Public Health Department. This means that you may lightly cook or reheat food in our facility. It is recommended that a catering company be used, serve pre-packaged foods, delivered pizzas, use food trucks, etc. Additionally, we do not have a commercial dishwashing facility so all items must be taken offsite for cleaning.

NOTE: You will need to provide all serving pieces and warming items such as:

- Hand Towels
- Bottle openers
- Oven Mitts
- Power Cords / Extension Cords
- Paper Towels
- Coffee, sugar, cream, stir sticks, etc.
- Wine Corkscrews
- Containers or plastic wrap
- Serving or Preparation utensils (large spoons, spatulas, knives, etc.)

Kitchen Area (Cleaning Supplies are provided by Gibson Hall)

- **Clean all borrowed items** (coffee pots, bowls, urns, vases, etc.)
- **Clean all surfaces:**
 - Sinks, counters & backsplashes
 - Stovetop and Oven area
 - Refrigerator shelves

- Microwave
- Rolling Cart

Kitchen Floor: Shake carpet runners
sweep and mop floor

- **Garbage:**
 - Remove all garbage and recycling from bins in the kitchen. Dumpsters are located outside in the garbage enclosure.
 - Replace all liners in each bin.

Restroom Facilities:

- Remove trash from bins and replace liners as needed.
- Clean toilets as needed.
- Clean floors as needed. Do not leave floor dirty and sticky.

The Main Floor (Hall Area):

- Remove all decorations and personal items
- Clean any tables and chairs used.
 - Wipe down all tables with approved cleaning agent and paper towels before returning them to the back store room
 - Leave chairs in main room and place them against the wall, facing towards the center of the room so that Staff will cleanse them with approved cleaning agent after you depart.
- Clean and Vacuum Floor
 - Clear all trash and large items off the floor. The vacuum may be impeded by large debris.
 - Vacuum Floor and inspect
 - Spills: carpet cleaning supplies provided for carpet spills.
- Gas Fireplace (Turn off via switch next to fireplace)
- Turn off all lights.

Securing Gibson Hall

- Close and Lock the Front Door Deadbolt.
- Ensure back storage room storm door is locked.
- Front middle door is closed and secure. Lock is latched. Kitchen door is not set to open freely. The lever on the inside of the door can be turned to allow the door to be opened without a code after you enter. Ensure that this lever is set to not allow entry into the Hall and verify by closing the door and ensuring the door does not open freely.

Gibson Hall Exit Checklist

The Kiwanis Club of Issaquah has adopted new exit checklist procedures consistent with the guidelines from the State of Washington Governor’s Office, the Centers for Disease Control (CDC) and Seattle-King County Public Health Department. These guidelines may change on short notice and depending upon the nature of a public health threat, Kiwanis Club of Issaquah reserves the right to amend these exit requirements – with notice- at any time. If you have questions, please contact the Gibson Hall Rental Agent by sending an email to: gibsonhallrentals@gmail.com or leave a voicemail message at **425-392-4016**.
